"Ripcord is the real deal and is a must on every hunt. I put my trust in their team of special operations veterans and medical professionals when I'm hunting, and so should you."

- JIM SHOCKEY

"I made the switch to Ripcord Rescue Travel Insurance because they truly do what they say. You need a rescue provider you can rely on, and their travel insurance is the best a hunter can get."

- LARRY WEISHUHN

"We called Ripcord and in a matter of hours we were out of the bush and I was sitting in the hospital in Anchorage getting every test done imaginable."

Thank God for Ripcord."

- MARK PETERSON

RIPCORN IS THE OFFICIAL RESCUE PROVIDER FOR NAPHA, TPHA, APHA & ZPHGA

Ripcord Rescue Travel Insurance™ is powered by Redpoint Resolutions, a medical and travel security risk company.

Please check here if you ALREADY HAVE a Ripcord membership

I DO NOT want to purchase a Ripcord membership for this trip. I understand that an evacuation could cost over \$100,000, is not covered by insurance and may not be available without Ripcord services. I agree to pay these costs and arrange for my own evacuation if required. I forever release, discharge and hold harmless Aru Game Lodges, its employees, guides and partners from any liability resulting from my need for emergency evacuation.
